Tournament Proceeds
Benefit

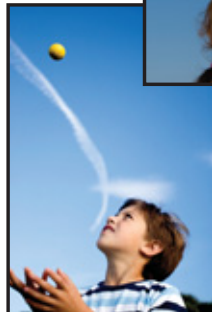

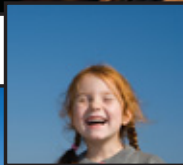

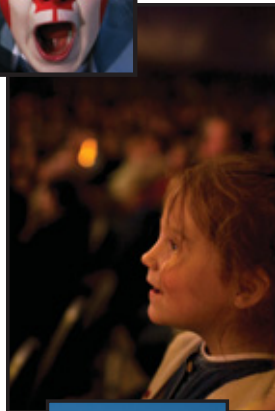

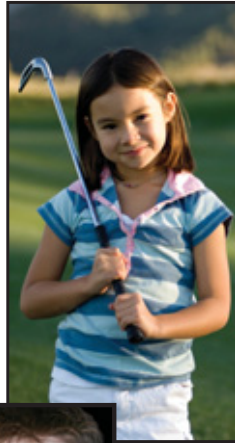

“Kids Can Alberta” and “Kids Up Front” are non-profit organizations focused on providing opportunities for children to enjoy recreation and activities that they might not otherwise experience.

Through the sport of golf, Kids Can Alberta aims to teach kids integrity, sportsmanship and responsibility by providing lessons, clubs and memberships at no charge.

By channeling thousands of donated event tickets for kids to enjoy arts and culture, sports and recreational events, Kids Up Front provides the kinds of positive experiences kids need to grow into happy and healthy adults..

Kids Up Front distributes tickets fairly and efficiently to thousands of children. Kids Can Alberta has partnered with Kids Up Front to identify children in communities across Alberta for participation in the golf program.

Sharing focus on family, the well-being of children and progressive charity, Kids Up Front and Kids Can Alberta are teaming up **Fore Kids** in our community.
